VETERANS DAY-11 NOVEMBER 2023

STEVE RICKER

Steve Ricker was born and raised in a small town in eastern Tennessee. Steve has always had a very deep interest in American history. He researched early Native American tribes all across the country. He's gifted with the ability to recreate museum quality, native American and frontier accouterments and beautiful works of art. Steve has pieces in museums and fine art galleries as well as collections around the world. Steve became involved with the Overmountain Victory Trail Association in 2006. He began participating in their march to Kings Mountain annually.

This year will be 19 years of marching and programming for the public and thousands of school children. Steve helps tell the story of the Overmountain Men and the march to Kings Mountain during the American Revolutionary War. Steve is a gifted storyteller as well. He has been published in Cambridge's Who's Who and received a lifetime achievement award from the East Tennessee Historical Society. He received a Patriot Award from the National Park Service and various other awards. Steve is a devoted husband, dad and grandfather.

Concluding Remarks Col. John L. Bradley, III

OVTA (Over-Mountain Victory Trail Association), SAR, and DAR members joined this annual community-wide event in Abingdon in a procession, laying and saluting wreaths and providing a volley of fire in memory of fallen heroes. Unfortunately, featured speaker Steve Ricker could not be present, but David Doane, TN SAR and OVTA, filled in admirably. High praise for this year's program and for the many groups that contributed to its success. "This was the best ever!"

Black's Fort Chapter DAR with the Gen Wm Campbell Chapter SAR Luncheon celebrating the 250 th anniversary of the Boston Tea Party

Members of the Gen Wm Campbell Chapter SAR were pleased to join in support of the Black's Fort Chapter of the DAR in their Christmas luncheon buffet at the Glenrochie Country Club in Abingdon, VA on Saturday December 2, 2023. Members and guests celebrated the 250th anniversary of the Boston Tea Party.

Dr. Carole Mask provided wonderful Christmas music on her harp before and during the luncheon. She had given each a multiple-choice quiz on the Boston Tea Party—the people, places, events, and other related historical information. The high scorers on the quiz were to take a poinsettia, center pieces on the tables.

Dr. Mask led the DAR and SAR members and guests in a delightful song, “The Boston Tea Party”; she sang with all others repeating the last line of each of the several verses.

Christmas at the Muster Grounds OVTA

09 December 2023

Saturday, December 9, 2023, was a time of education and celebration at the Muster Grounds in Abingdon, Virginia. Several learning stations were set up for the public to attend. These stations ranged from storytelling and old-time Christmas ornament, a pomander (from Eastern Virginia, not found on the Frontier in 1780), to talks on Revolutionary War weapons. The SAR Patriot Chest materials were on display as well as the Hopkinson flag and the 250th anniversary flag. Outside children participated in tomahawk throwing, candle making, corn husk doll making, and colonial ring toss games. Michael Henningson made a special appearance as the original St. Nick.

At the conclusion of the educational festivities, a Christmas dinner followed. This included turkey and all the trimmings! We all ate and drank soft drinks and water until we could eat no more! We all decided to bless a few families in need during this holiday season with an entire turkey dinner that was still unopened!

Tazewell Veteran Appreciation Certificate Ceremony December 2023

December 30th kicked off the first of many veteran's appreciation certificate ceremonies in honor of America's 250th anniversary of independence! While the weather did not cooperate to allow everyone who was invited to attend the event, we still had a great turnout. A total of 10 veterans attended with their families and friends for a total of 22 people, not including the SAR members. The oldest in attendance was a Korean War veteran who was 90 years old.

While other Sons of the American Revolution chapters were invited, only the General William Campbell chapter in Abingdon was in attendance and formed the color guard unit for this event. Among them were John Gullion, John Britton, and Dr Kevin Combs. Kevin was the master of ceremonies for this event and read off not only the names of the persons present to receive this certificate of appreciation, but also recognized the veterans not in attendance due to weather conditions. John Gullion called for a moment of silence to honor the three veterans who were interested in receiving this certificate but passed away prior to this ceremony. John Gullion gave the SAR pledge and recessional, and also gave a brief history of the SAR for all in attendance. John Britton rendered the invocation and then later the benediction. A luncheon was provided for all in attendance, concluding this ceremony.
