## Williamsburg Chapter

### Virginia Society

#### Sons of the American Revolution

By signing the Declaration of Independence, the fifty-six Americans pledged their lives, fortunes, and sacred honor. Nine died of wounds during the Revolutionary War, five were captured or imprisoned. Wives and children were jailed, mistreated, or left penniless. Twelve signer's houses were burned to the ground. No signer defected. Their honor, like their nation remained intact.

### President's Message

Compatriots,  
A belated Happy Thanksgiving to all of you. Here are some late pictures of our Chapter's wreath at Thomas Nelson, Jr.'s grave site during the Yorktown Day ceremony.

**Veterans Day at the Palace** – I was very proud of our Chapter's performance on Veterans Day! Our Palace ceremony was on time, on schedule and executed in a professional manner. Everyone should go out of their way to thank Tom Campbell and Collyer Linn who laid out the palace cemetery with 158 flags. Tom also gave a brief (but focused) talk on those who are buried there. Thanks also goes to Bob Schmidt and his local color guard and Joe Spruill who coordinated our event with Colonial Williamsburg. Bob Spencer and Alan Morledge were on hand for those who needed transportation assistance. Of course our Chaplain the Rev. Dr. Jim Henry provided the invocation and benediction for the ceremony.

During the past two years I have been privileged to represent our Chapter at similar ceremonies and none exceeded ours in quality! I would encourage any of you who are interested in being on the color guard roster to contact Bob Schmidt. He may even be able to help with your uniform. Our color guard is a big hit with Colonial Williamsburg and draws a crowd of visitors whenever it makes an appearance.

After the Palace ceremony we adjourned to the Crowne Plaza for our traditional luncheon. We recognized our Firefighter of the Year Nicole Furey and Policeman of the Year David Rochard. These people will be our representatives to VASSAR for state recognition.

Our guest speaker was Harry Walters. Harry spoke on veterans’ health care in particular and veterans affairs in general. He also described an initiative to make Williamsburg the focal point for a state wide Veterans’ Day Parade on 11-11-11. In addition to the combination of 11s, next year is the 10<sup>th</sup> anniversary of the War on Terror. This program will include pioneering efforts to organize local programs aimed at assimilating Reserve and National Guard veterans back into the community.

### **Meeting Name Tags**

You may have noticed the nice name tags that Bob Schmidt, our Secretary-Treasurer, has made for our meetings. He will bring them to the meetings but asks that when the meetings are over, that you return them to the receptacle provided for them. That way he will not have to continually replace them at the Chapter's expense. If you brought one home from the last meeting, please bring it at the next.

### **The Historian's Corner**

In the spirit of the holiday season that is upon us, are you looking for an appropriate gift for someone interested in the American

Revolution and has everything? If so, let me suggest a little book that I recently discovered in the CW Visitor's Center Bookstore. It is entitled "A Battlefield Atlas of the American Revolution" by Dr. Craig L. Symonds and Cartography by William J. Clipson, The Nautical & Aviation Publishing Company of America, Inc., Mount Pleasant, South Carolina, 2009 (on sale for \$19.95).

Symonds narrates each battle in a clear, concise, and readable way. Accompanying two-color, full -page maps by Cartographer William J. Clipson, aids the visual comprehension of military history buffs and students, thus making this easy-to-handle book an ideal battlefield tour guide, or a personal library reference and resource.

Wishing you and yours a Joyful and blessed Christmastide, and a Happy New Year!!
